Give your students an edge with top corporates

Dear Educator,

TCS iON has spent the past decade helping bridge the gap between industry and academia. In this regard, we wanted to bring to your notice our specially curated TCS National Qualifier Test (TCS NQT). TCS NQT assesses your students on multiple parameters and awards a comprehensive scorecard that can be used to enhance their resumes.

**In the last few months,
55K+ TCS NQT certified candidates got placed in top corporates like**

There are 300+ corporates on the TCS iON Job Listing Platform who are looking for job-ready candidates from different streams.

Why Choose TCS NQT?

 <p>Access to diverse TCS NQT variants that are designed for multiple streams & industries</p>	 <p>Keep a tab of your students' recruitment reports and help them along the way</p>
 <p>Opportunity to take the test umpteen times to improve performance & score</p>	 <p>Students can attempt the test online or at TCS iON authorised exam centres</p>
 <p>Elevate your students' chances of getting hired by top corporates in India, including TCS</p>	 <p>Increase your brand value with this partnership</p>

To help more students, we are offering this partnership at a Discounted Price.

The last date for your students to register for the upcoming TCS NQT edition is **August 29th, 2021.**

Let's collaborate and give our next generation a chance to experience corporate excellence and financial independence.
