'RakhiBandhanUtsab' as initiated by Gurudev to maintain and restore peace, harmony and integrity amongst the different religious /cast/community people of our land despite being various differences observed every year on the day of RakhiPurnima and/or on the day of the demise of Rabindranath Tagore( BaiseShraavana) .

The College usually observed that day as a mark of brotherhood by putting/bending the Rakhi on the hand of brothers (male students) by the sisters (girl students) of our College. This year it is observed on the day of 8<sup>th</sup> August 2017. The photograph depicts the sample picture for the same.
