

## WORKSHOP BY SEBI FOR FINANCIAL EDUCATION 4<sup>TH</sup> AUGUST 2017

*Dr Banerwar Kapasi , the Resources person from SEBI is delivering his lecture*

*A view of question -answer session of the workshop*

*A Seminar cum Workshop on financial education is organized in collaboration with Security & Exchange Board of India (SEBI) in the College held on 4<sup>th</sup> August 2017 for financial education on the several financial instruments/ portfolios prevailing in the capital market – its advantages, disadvantages etc. It is an awareness programme especially arranged by SEBI for extending and imparting education on different investment plans to avoid the cheating from several chit-fund organizations. The Principal has inaugurated the Workshop with a short lecture on the workings of many chit fund companies and presented how the people, in general, suffered a lot particularly in West Bengal. He extended his warm welcome to Dr. Kapasi for having such programme.*

*Dr Kapasi elaborately discussed about our general pattern and style of savings and investment and made a serious concern about the fraudulent activities of the so called investment agencies around us and its painful result. He also suggested how to make a plan for savings and investment for better gain.*

*After that, a Question –Answer session held to discuss the different queries of the takers. More than forty permanent employees of the college were present in the Seminar.*
