Sri Krishnendu Mazumder (Assistant Controller of Examinations, The University of Burdwan) mainly focused on the examination system and its evaluation pattern of the same elaborately.

After lunch break, there was an interactive session where teachers from the different colleges actively participated in a question answer class and presented their queries and in reply, resource persons give their answers satisfactorily. In a nutshell, that workshop fruitfully gave us a new direction and thoughts to cope up with the CBCS model for improving the quality education to the under graduate students. In that workshop more than 35 teachers from other colleges (e.g. Dr. Gourmohan Roy College, Tehatta Sadananda Mahavidyalaya, Purbasthali College etc.) and Chandrapur College were participated actively.

Prof Manjari Chattopadhyay has anchored the whole Workshop. The president of the Governing Body was also present in the said Workshop. The workshop finally closed with a vote of thanks by the Principal.
