

The Times of India Group

TimesPro leverages technology, and a countrywide network of knowledge and corporate partners, to design and deliver professional educational programmes to bridge gaps between conventional education and industry demands. As you are well aware, the BFSI sector (Banking, Financial Services and Insurance organisations collectively), is one of the fastest growing sectors and one of the largest recruiters of fresh graduates in the country. TimesPro, in collaboration with academic experts and industry veterans, has designed a comprehensive banking and financial management training programme that is designed to provide graduates with industry-specific knowledge; project-based training; and hands-on experience of financial software; thus making them job-ready. Acknowledged and recognised as a pathbreaking programme by industry as well as academia, TimesPro fulfils large recruitment mandates from leading BFSI organisations.

We currently have a huge recruitment mandate from ICICI Bank, one of India's largest and leading private sector banks, to train fresh graduates for employment as a Value Banker with ICICI Bank. Towards this end, TimesPro presents the **Post Graduate Diploma in Sales & Relationship Banking** program

- A fast-track programme to begin a career in banking
- Welcome Offer letter on fulfilling eligibility and being selected
- 45 Days of intensive learning, coaching and training by TimesPro
- 3 Months of paid internship with ICICI Bank
- Induction into ICICI Bank as Value Banker (subject to clearance of assessment & interview)

We request your permission to hold a **webinar cum recruitment drive for the recent graduate and final year students** of your esteemed institution. Here, we will provide detailed information about this unique programme and also enable a spot registration and eligibility check for interested student. We hope that you will recognise this as an opportunity for your students and allow us to present our case to them.

We look forward to your permission and assistance to enable TimesPro to empower your students with a career opportunity with ICICI Bank. Should you have any questions, please feel free to contact the undersigned.
