

NOTICE

You are well aware that the College has already published a Journal (1st Volume) named “Views and Reviews” in the year 2016 under the guidance and supervision of Journal Sub-Committee. We intend to publish it regularly at least two volumes in a year.

In this context, all my colleagues are hereby requested to submit papers / articles etc. within 31st August, 2017 to the Convener Journal Committee, so that we would be able to publish its second volume very soon. Also, it is a matter of necessity to publish it regularly to get the ISSN from the concerned authority, you know.

Your kind contribution and co-operation in this regard are earnestly solicited.

**Convener,
Journal Sub – Committee**

**Principal
Chandrapur College**
