

Teachers Day Celebration 2017

5th Sept. 2017

Teachers' Day is observed on the birth day of our nation's teacher, philosopher and our former President of the land of DrSarvapalliRadhaKrishnan , the 5th of September every year. The students of the College leaded and guided by the Dept. of Bengali, generally used to celebrate this day as one of the most expected ritual of the College. They extended their respectful offerings to all the teachers of the Institution as well as Non-teaching staff.

This year the functions started with lighting and illuminating the candle by the Principal and Secretary of Teachers' Council. The students presented their cultural performance and staged a drama against blind and unscientific minds of our society.

More than three hundred students were present on that occasion to mark their respect despite being a problem of accommodation in the Kavi Guru Hall.
